

EVENTS WITH PURPOSE

OzHarvest acknowledges the Traditional Custodians of the lands where we live, work and play, and we pay our deep respects to their Elders past and present.

A LITTLE ABOUT US

OzHarvest is best known for our fleet of yellow vans, out and about in communities every day stopping good food from going to waste and delivering it to over 1,900 charities that support people in need. We're championing the value of food to make wasting it a thing of the past! Through our education programs and advocacy work we're creating positive change and inspiring others to halve food waste by 2030.

EVENTS AT OZHARVEST HQ

Host your next event with soul and purpose! Whether it be a product launch, networking event or private function, celebrate at our OzHarvest HQ. Our warehouse provides a unique space to host an event that gives you a glimpse into Australia's leading food rescue organisation. By choosing to have your event with us, you are choosing to support millions of vulnerable people who don't know where their next meal is coming from.

FOOD & DRINKS

Food

We can create a bespoke menu for your event, whether it be canapes, a shared feast or a formal dinner.

All the delicious meals we serve are 100% vegetarian and based on our zero-waste philosophy, to help to protect our planet.

Drinks

We collaborate with our suppliers to create a custom drinks package based on your needs.

Zero-waste cocktail menus, bespoke beverage packages and drink matching options are available.
